In view of the evolving global situation, including the ongoing West Asia crisis, and the inconvenience and hardship being caused to stakeholders due to this situation, it has been decided to postpone Bharat Steel 2026 until further notice. The decision has been taken in the larger interest of all stakeholders associated with the steel sector. Revised dates of the event will be announced in due course.

Bharat Steel 2026 was scheduled to be held on 16-17 April 2026 at Bharat Mandapam, New Delhi. The Ministry of Steel appreciates the support, cooperation and interest shown by all stakeholders towards the event.

The event has been conceived not merely as an event, but as a flagship platform for the entire steel ecosystem, bringing together all stakeholders under one roof.
