

Prime Minister shares an article on how modernisation of railway tracks is powering a faster and more dependable network

Posted On: 23 APR 2026 2:19PM by PIB Delhi

The Prime Minister, Shri Narendra Modi today, shared an article written by Union Minister, Shri Ashwini Vaishnaw, on how modernisation of railway tracks is powering a faster and more dependable network. Shri Modi noted that the track renewal, advanced testing and mechanised maintenance have improved ride quality and ensured higher speeds. “These changes are reducing delays, supporting smoother journeys and helping railways meet growing passenger and freight demand across the country”, Shri Modi remarked.

Shri Modi posted on X:

“Modernisation of railway tracks is powering a faster and more dependable network.

Track renewal, advanced testing and mechanised maintenance have improved ride quality and ensured higher speeds. These changes are reducing delays, supporting smoother journeys and helping railways meet growing passenger and freight demand across the country.

A must-read by Union Minister Shri @AshwiniVaishnaw.”
