Amid the evolving situation in West Asia, the Government of India continues its efforts to keep citizens informed through regular updates. In this regard, a media briefing was held today at the National Media Centre, where officers from the Ministries of Petroleum and Natural Gas, Ports, Shipping and Waterways, and External Affairs provided updates on fuel availability, maritime operations, assistance to Indian nationals in the region, and measures being undertaken to maintain stability across key sectors.

Energy Supply and Fuel Availability

The Ministry of Petroleum and Natural Gas provided an update on the current fuel supply situation, outlining measures being taken to ensure uninterrupted availability of petroleum products and LPG in the context of the evolving situation in West Asia. It was noted that:

Public Advisory and Citizen Awareness

- Citizens are advised to avoid panic purchase of petrol, diesel and LPG as the Govt is making all efforts to ensure availability of petrol, diesel and LPG.
- Beware of rumours and rely on official sources for correct information.
- LPG consumers are requested to use digital booking platforms and avoid visiting distributors.
- Citizens are encouraged to use alternate fuels such as PNG and electric or induction cooktops.
- All citizens are requested to make necessary efforts to conserve energy in their daily use during the current situation.

Government Preparedness and Supply Management Measures

- Despite the ongoing geopolitical situation, the Government has ensured that 100% supply is being made to Domestic LPG, Domestic PNG and CNG (Transport).
- For commercial LPG, priority has been given to hospitals, educational institutions. Besides this, priority has also been given to pharma, steel, automobile, seed, agriculture, etc. In addition to this, supply of 5 Kg FTL to migrant labour is also doubled based on avg. daily supply on 2nd and 3rd March 2026.
- The Government has already implemented several rationalisation measures on both the supply and demand side, including enhancing refinery production, increasing the booking interval from 21 to 25 days in urban areas and up to 45 days in rural areas and prioritising sectors for supply.
- Alternate fuels such as kerosene and coal have been made available to ease pressure on LPG demand.
- The Ministry of Coal has directed Coal India and Singareni Collieries to supply additional coal to States for distribution to small and medium consumers.
- States have been advised to facilitate new PNG connections for domestic and commercial consumers.

Coordinated Efforts with States/UTs and Institutional Mechanisms

- State Governments are empowered under the Essential Commodities Act, 1955 and LPG Control Order, 2000 to monitor supply and act against hoarding and black marketing.
- Govt. of States/UTs have to play a primary role in monitoring and regulating supply situation of essential commodities including Petrol, Diesel and LPG. Govt. of India has reiterated the same via multiple letters and VCs to all States/UTs.
- The Government of India vide letters dated 27.03.2026 and 02.04.2026 have stressed the need for proactive public communication to reassure citizens regarding adequate fuel availability. Regular review meetings are being held with States/UTs. In this context, meetings were convened on 02.04.2026 (Chaired by Secretary, MoPNG) and on 06.04.2026 (Chaired by Secretary, MoPNG along with Secretaries of I&B and Consumer Affairs), wherein the following was emphasized:
 - To issue daily press briefings and issue regular public advisories.
 - To actively monitor and counter fake news / misinformation on social media.
 - To intensify daily enforcement drives by District admin and to continue raids and inspections in coordination with OMCs
 - To issue Commercial LPG allocation orders within their States/UTs
 - To issue SKO allocation orders for additional SKO allotted to the States/UTs.
 - To promote PNG adoptions and alternate fuels.
 - To prioritize LPG supply, especially for domestic needs, and adopt targeted distribution of 5 kg FTL cylinders to ensure supply stability.
- All States/UTs have established control rooms and district monitoring committees to curb hoarding and black marketing.
- Many states/UTs are issuing/carrying out press briefs.

Enforcement and Monitoring Actions

- Enforcement actions continue across the country to curb hoarding and black marketing of LPG. Yesterday, more than 2600 raids were conducted, wherein about 285 cylinders were seized across the country.
- Cumulatively, till date more than 1.5 Lakh raids have been conducted, and more than 66,000 cylinders have been seized across the country. Further, more than 1100 FIRs have been registered, and 255 persons have been arrested.
- PSU OMCs have strengthened and continued surprise inspections and imposed penalties on 298 LPG distributorships, and 70 LPG distributorships have been suspended till yesterday.

LPG Supply

Domestic LPG Supply Status:

- LPG supply continues to be affected by the prevailing geopolitical situation.
- Supply of LPG to domestic households has been prioritized.
- No dry-outs have been reported at LPG distributorships.
- **Online LPG cylinder bookings have increased to 98% on industry basis yesterday.**
- **Delivery Authentication Code (DAC) based deliveries have increased to around 94% to prevent diversion. DAC is received on the registered mobile number of the consumer.**
- **On 22.04.2026, more than 52 Lakh domestic LPG cylinders were delivered.**

Commercial LPG Supply and Allocation Measures:

- Total commercial LPG allocation has been increased to about 70% of pre-crisis levels, including 10% reform-linked allocation.
- The Government of India vide letter dated 06.04.2026 has conveyed that daily quantity of 5 Kg FTL cylinders in each State available for disbursement to migrant labourers is being doubled based on the average daily supply (Number of cylinders) to migrant labourers during 2nd-3rd March 2026 beyond the limit of 20% mentioned in letter dated 21.03.2026. These 5 Kg FTL cylinders are at disposal of the State Government for supplying only to migrant labourers in their State with assistance of Oil Marketing Companies (OMCs).
- **Since 1st April 2026, more than 17 Lakh - 5 Kg FTL cylinders have been sold.**
- **Yesterday, more than 86,000 – 5 Kg FTL cylinders were sold across the country.**
- **Since 3rd April 2026, PSU OMCs have organised more than 8200 awareness camps for 5 Kg FTL Cylinders, wherein more than 1,27,000 - 5Kg FTL cylinders were also sold.**
- **Yesterday, 7877 – 5 Kg FTLs were sold through more than 320 camps.**
- A three-member committee of Executive Directors from IOCL, HPCL and BPCL is coordinating with State authorities and industry bodies to plan commercial LPG distribution in the States/UTs.
- **During the month of April-26 (till 22.04.26), a total of 1,40,362 MT (Equivalent to more than 73.87 Lakh of 19 Kg LPG Cylinders) of Commercial LPG has been sold.**
- **On 22.04.2026, 8483 MT of Commercial LPG (Equivalent to more than 4.46 Lakh - 19 Kg cylinders) was sold.**

Natural Gas Supply and PNG Expansion Initiatives

- Consumers have been prioritised with 100% supplies to D-PNG and CNG-Transport.
- The overall gas allocation to fertilizer plants has been enhanced to approximately 95% of their six-month average consumption.
- Additionally, gas supply to other industrial and commercial sectors, including supplies through CGD networks, is enhanced up to 80%.
- CGD entities have been advised to prioritize PNG connections for commercial establishments such as hotels, restaurants and canteens across all their GAs, to address concerns regarding the

availability of commercial LPG.

- CGD companies including IGL, MGL, GAIL Gas and BPCL are offering incentives for domestic and commercial PNG connections.
- States/UTs and Central Ministries have been requested to expedite approvals required for expansion of CGD networks.
- The Government of India vide letter dated 18.03.2026 has offered all States/UTs additional 10% allocation of commercial LPG to States provided they can help in long term transition from LPG to PNG.
- 22 States/UTs are receiving additional commercial LPG allocation linked to PNG expansion reforms.
- The Ministry of Road Transport & Highways vide letter dated 24.03.26 has adopted an 'Accelerated Approval Framework for CGD infrastructure with reduced timelines' as a special for 3 months to process applications pertaining to CGD infrastructure on priority.
- The Government of India vide Gazette dated 24.03.2026 has notified the Natural Gas and Petroleum Products Distribution (Through Laying, Building, Operation and Expansion of Pipelines and Other Facilities) Order, 2026 under the Essential Commodities Act, 1955. The Order provides a streamlined and time-bound framework for laying and expanding pipelines across the country, addressing delays in approvals and access to land, and enabling faster development of natural gas infrastructure, including in residential areas. It is expected to accelerate PNG network growth, enhance last-mile connectivity, and support the transition to cleaner fuels, thereby strengthening energy security and advancing India's gas-based economy.
- PNGRB has directed CGD entities to expedite D-PNG connections. Also, the National PNG Drive 2.0 has been extended till 30.06.2026 to sustain momentum in PNG expansion.
- To encourage a cleaner, more secure and self-reliant energy future, the Government of India has developed a model draft State CBG Policy. The model policy is intended to serve as a comprehensive flexible guiding framework to enable States to create their own investor-friendly and implementation-oriented ecosystem for CBG development. Those States which opt for this, will be prioritized for the next tranche of additional allocation of commercial LPG.
- MoEFCC vide order dated 07.04.2026 has directed CPCB to issue necessary directions to SPCB/PCCs for granting consent to establish or consent to operate within 15 days for CGD network/infrastructure.
- **Since March 2026, about 5.18 Lakh PNG connections have been gasified and infrastructure has been created for additional 2.58 lakh connections, taking the total to 7.76 lakh connections. Further, about 5.87 Lakh customers have been registered for new connections.**
- **Till 21.04.2026, more than 41,000 PNG consumers have surrendered their LPG connections via MYPNGD.in website.**

Crude Position and Refinery Operations

- All refineries are operating at high capacity with adequate crude inventories, while sufficient stocks of petrol and diesel are being maintained.
- Domestic LPG production from refineries has been increased to support domestic consumption.
- An inter-ministerial Joint Working Group (JWG) has been set up to ensure availability of petrochemical feedstock supply for the domestic market. Subsequently, Govt. of India vide order dated 01.04.2026 has permitted Oil Refinery companies including Petrochemical Complexes to make certain minimum quantities of C3 & C4 streams available for critical sectors as determined by Centre for High Technology (CHT).
- Based on the requests received from the Department of Pharmaceuticals, Department of Chemicals & Petro Chemicals (DCPC), Dept. for Promotion of Industry and internal trade (DPIIT), the

provision for 1000 MT/day, from LPG pool, has been made for Pharma and Chemical sector companies.

- Since 9th April 2026, more than 6300 MT of propylene has been sold by Mumbai, Kochi and Mathura refineries to Chemical and Pharma Industry.

Retail Fuel Availability and pricing Measures

- Retail outlets across the country are operating normally.
- The Middle East crisis has led to an abnormal increase in crude prices; however, to protect consumers, the Government of India has reduced excise duty on petrol and diesel by ₹10 per litre.
- Govt. of India vide Gazette notification dated 11.04.2026 has increased the export levy on diesel to Rs. 55.50 per litre and on ATF to Rs. 42 per litre, to ensure availability of these products in the domestic market.
- Regular Retail Prices for Petrol and Diesel are unchanged and there is no price increase at PSU OMCs Retail Outlets.
