

Updates on Key Sectors in View of Developments in West Asia

OMCs undertake a calibrated price revision aligned with prevailing international trends for a small set of products catering primarily to commercial, industrial and premium segments

Retail pump prices of Petrol, Diesel and domestic LPG (14.2 kg cylinders meant for regular household use) kept unchanged

Around 49.8 Lakh domestic LPG cylinders delivered against bookings of around 41.6 Lakh LPG cylinders

DG Shipping Control Room handled 8,268 calls and more than 17,694 emails since activation

Indian Embassy in Tehran facilitated movement of 2,490 Indian nationals out of Iran through land border routes

Posted On: 01 MAY 2026 6:29PM by PIB Delhi

In light of the evolving situation in West Asia, the Government of India remains actively engaged in ensuring preparedness and continuity across key sectors through coordinated response measures. The following update outlines the steps being taken with regard to energy supply, maritime operations, and support to Indian nationals in the region:

Energy Supply and Fuel Availability

The Ministry of Petroleum and Natural Gas provided an update on the current fuel supply situation, outlining measures being taken to ensure uninterrupted availability of petroleum products and LPG in the context of the evolving situation in West Asia. It was noted that:

Public Advisory and Citizen Awareness

- Citizens are advised to avoid panic purchase of petrol, diesel and LPG as the Govt is making all efforts to ensure availability of petrol, diesel and LPG.
- Beware of rumours and rely on official sources for correct information.
- LPG consumers are requested to use digital booking platforms and avoid visiting distributors.

- Citizens are encouraged to use alternate fuels such as PNG and electric or induction cooktops.
- All citizens are requested to make necessary efforts to conserve energy in their daily use during the current situation.

Government Preparedness and Supply Management Measures

- Despite the ongoing geopolitical situation, the Government has ensured that 100% supply is being made to Domestic LPG, Domestic PNG and CNG (Transport).
- For commercial LPG, priority has been given to hospitals, educational institutions. Besides this, priority has also been given to pharma, steel, automobile, seed, agriculture, etc. In addition to this, supply of 5 Kg FTL to migrant labour is also doubled based on avg. daily supply on 2nd and 3rd March 2026.
- The Government has already implemented several rationalisation measures on both the supply and demand side, including enhancing refinery production, increasing the booking interval from 21 to 25 days in urban areas and up to 45 days in rural areas and prioritising sectors for supply.
- Alternate fuels such as kerosene and coal have been made available to ease pressure on LPG demand.
- The Ministry of Coal has directed Coal India and Singareni Collieries to supply additional coal to States for distribution to small and medium consumers.
- States have been advised to facilitate new PNG connections for domestic and commercial consumers.

Coordinated Efforts with States/UTs and Institutional Mechanisms

- State Governments are empowered under the Essential Commodities Act, 1955 and LPG Control Order, 2000 to monitor supply and act against hoarding and black marketing.
- Govt. of States/UTs have to play a primary role in monitoring and regulating supply situation of essential commodities including Petrol, Diesel and LPG. Govt. of India has reiterated the same via multiple letters and VCs to all States/UTs.
- The Government of India vide letters dated 27.03.2026 and 02.04.2026 have stressed the need for proactive public communication to reassure citizens regarding adequate fuel availability. Regular review meetings are being held with States/UTs. In this context, meetings were convened on 02.04.2026 (Chaired by Secretary, MoPNG) and on 06.04.2026 (Chaired by Secretary, MoPNG along with Secretaries of I&B and Consumer Affairs), wherein the following was emphasized:
 - To issue daily press briefings and issue regular public advisories.
 - To actively monitor and counter fake news / misinformation on social media.
 - To intensify daily enforcement drives by District admin and to continue raids and inspections in coordination with OMCs
 - To issue Commercial LPG allocation orders within their States/UTs
 - To issue SKO allocation orders for additional SKO allotted to the States/UTs.
 - To promote PNG adoptions and alternate fuels.
 - To prioritize LPG supply, especially for domestic needs, and adopt targeted distribution of 5 kg FTL cylinders to ensure supply stability.
- All States/UTs have established control rooms and district monitoring committees to curb hoarding and black marketing.
- Many states/UTs are issuing/carrying out press briefs.

Enforcement and Monitoring Actions

- **Enforcement actions continue across the country to curb hoarding and black marketing of LPG. Yesterday, more than 2300 raids were conducted across the country.**

- **PSU Oil Marketing Companies have strengthened surprise inspections and imposed penalties on 342 LPG distributorships and suspended 73 LPG distributorships till yesterday.**
- **On 30.04.2026, show cause notices were issued to 46 LPG distributors, penalties were imposed on 6 distributorships and 1 distributor was put under suspension.**

LPG Supply

Domestic LPG Supply Status:

- LPG supply continues to be affected by the prevailing geopolitical situation.
- Supply of LPG to domestic households has been prioritized.
- No dry-outs have been reported at LPG distributorships.
- **Online LPG cylinder bookings increased to 98% on industry basis yesterday.**
- **Delivery Authentication Code (DAC) based deliveries have increased to around 93% to prevent diversion. DAC is received on the registered mobile number of the consumer.**
- **On 30.04.2026, around 49.8 Lakh domestic LPG cylinders were delivered against bookings of around 41.6 Lakh LPG cylinders.**

Commercial LPG Supply and Allocation Measures:

- Total commercial LPG allocation has been increased to about 70% of pre-crisis levels, including 10% reform-linked allocation.
- The Government of India vide letter dated 06.04.2026 has conveyed that daily quantity of 5 Kg FTL cylinders in each State available for disbursement to migrant labourers is being doubled based on the average daily supply (Number of cylinders) to migrant labourers during 2nd-3rd March 2026 beyond the limit of 20% mentioned in letter dated 21.03.2026. These 5 Kg FTL cylinders are at disposal of the State Government for supplying only to migrant labourers in their State with assistance of Oil Marketing Companies (OMCs).
- **The total number of 5 Kg FTL cylinders sold during the month of Feb-26 were around 21.7 Lakh. However, during April-26 month, more than 22.54 Lakh - 5 Kg FTL cylinders have been sold.**
- **Yesterday, more than 79,000 – 5 Kg FTL cylinders were delivered.**
- **Since 3rd April 2026, PSU OMCs have organised more than 9900 awareness camps for 5 Kg FTL Cylinders, wherein more than 1,69,000 - 5Kg FTL cylinders were also sold.**
- **Yesterday, 4544 – 5 Kg FTLs were sold through about 162 camps.**
- A three-member committee of Executive Directors of IOCL, HPCL and BPCL, in consultation with State authorities and industry bodies finalises the plan for the sale of Commercial LPG in the States/UTs.
- **During the month of April-26, a total of 2,04,049 MT (Equivalent to more than 107.39 Lakh of 19 Kg LPG Cylinders) of Commercial LPG has been sold.**
- **On 30.04.2026, 11517 MT of Commercial LPG (Equivalent to more than 6.06 Lakh - 19 Kg cylinders) was sold.**
- **During the month of April-26, sale of Auto LPG by PSU OMCs has been around 10688 MT as compared to the sale of around 5000 MT during Feb-26.**
- **Avg. Auto LPG sale by PSU OMCs in the month of April-26 is around 356 MT/day against the avg. of around 177 MT/day during Jan-26 and Feb-26. This reflects an increase of around 100% in Auto LPG sales by PSU OMCs.**

Natural Gas Supply and PNG Expansion Initiatives

- Consumers have been prioritised with 100% supplies to D-PNG and CNG-Transport.
- The overall gas allocation to fertilizer plants has been enhanced to approximately 95% of their six-month average consumption.

- Additionally, gas supply to other industrial and commercial sectors, including supplies through CGD networks, is enhanced up to 80%.
- CGD entities have been advised to prioritize PNG connections for commercial establishments such as hotels, restaurants and canteens across all their GAs, to address concerns regarding the availability of commercial LPG.
- CGD companies including IGL, MGL, GAIL Gas and BPCL are offering incentives for domestic and commercial PNG connections.
- States/UTs and Central Ministries have been requested to expedite approvals required for expansion of CGD networks.
- The Government of India vide letter dated 18.03.2026 has offered all States/UTs additional 10% allocation of commercial LPG to States provided they can help in long term transition from LPG to PNG.
- 22 States/UTs are receiving additional commercial LPG allocation linked to PNG expansion reforms.
- The Ministry of Road Transport & Highways vide letter dated 24.03.26 has adopted an 'Accelerated Approval Framework for CGD infrastructure with reduced timelines' as a special for 3 months to process applications pertaining to CGD infrastructure on priority.
- The Government of India vide Gazette dated 24.03.2026 has notified the Natural Gas and Petroleum Products Distribution (Through Laying, Building, Operation and Expansion of Pipelines and Other Facilities) Order, 2026 under the Essential Commodities Act, 1955. The Order provides a streamlined and time-bound framework for laying and expanding pipelines across the country, addressing delays in approvals and access to land, and enabling faster development of natural gas infrastructure, including in residential areas. It is expected to accelerate PNG network growth, enhance last-mile connectivity, and support the transition to cleaner fuels, thereby strengthening energy security and advancing India's gas-based economy.
- PNGRB has directed CGD entities to expedite D-PNG connections. Also, the National PNG Drive 2.0 has been extended till 30.06.2026 to sustain momentum in PNG expansion.
- To encourage a cleaner, more secure and self-reliant energy future, the Government of India has developed a model draft State CBG Policy. The model policy is intended to serve as a comprehensive flexible guiding framework to enable States to create their own investor-friendly and implementation-oriented ecosystem for CBG development. Those States which opt for this, will be prioritized for the next tranche of additional allocation of commercial LPG.
- MoEFCC vide order dated 07.04.2026 has directed CPCB to issue necessary directions to SPCB/PCCs for granting consent to establish or consent to operate within 15 days for CGD network/infrastructure.
- **Since March 2026, about 5.88 Lakh PNG connections have been gasified and infrastructure has been created for additional 2.68 lakh connections, taking the total to 8.56 lakh connections. Further, about 6.60 Lakh customers have been registered for new connections.**
- **Till 30.04.2026, around 43,200 PNG consumers have surrendered their LPG connections via MYPNGD.in website.**

Crude Position and Refinery Operations

- All refineries are operating at high capacity with adequate crude inventories, while sufficient stocks of petrol and diesel are being maintained.
- Domestic LPG production from refineries has been increased to support domestic consumption.
- An inter-ministerial Joint Working Group (JWG) has been set up to ensure availability of petrochemical feedstock supply for the domestic market. Subsequently, Govt. of India vide order dated 01.04.2026 has permitted Oil Refinery companies including Petrochemical Complexes to

make certain minimum quantities of C3 & C4 streams available for critical sectors as determined by Centre for High Technology (CHT).

- Based on the requests received from the Department of Pharmaceuticals, Department of Chemicals & Petro Chemicals (DCPC), Dept. for Promotion of Industry and internal trade (DPIIT), the provision for 1000 MT/day, from LPG pool, has been made for Pharma and Chemical sector companies.
- **Since 9th April 2026, more than 9900 MT of propylene and more than 1100 MT of Butyl Acrylate has been sold by Mumbai, Kochi, Vizag, Chennai, Mathura and Gujarat refineries to Chemical, Pharma and Paint Industry.**

Retail Fuel Availability and pricing Measures

- All Retail outlets are operating normally across the country.
- The Middle East crisis has led to an abnormal increase in crude prices; however, to protect consumers, the Government of India has reduced excise duty on petrol and diesel by ₹10 per litre.
- Govt. of India vide Gazette notification dated 30.04.2026 has reduced the export levy on diesel from Rs. 55.50 per litre to Rs. 23 per litre and on ATF from Rs. 42 per litre to Rs. 33 per litre.
- **OMCs have undertaken a calibrated price revision aligned with prevailing international trends for a small set of products catering primarily to commercial, industrial and premium segments—such as Commercial LPG including both bulk & packed LPG, bulk diesel and ATF for international operations—which constitute a relatively minor share of total consumption and are subject to routine market-linked adjustments.**
- **Retail pump prices of Petrol, Diesel and domestic LPG (14.2 kg cylinders meant for regular household use) have been kept unchanged.**

Kerosene Availability and Distribution Measures

- An additional allocation of 48,000 KL of kerosene has been provided to States/UTs over and above regular allocation.
- 18 States/UTs have issued SKO allocation orders, while Himachal Pradesh and Ladakh have indicated no requirement.

Maritime Safety and Shipping Operations

The Ministry of Ports, Shipping and Waterways provided an update on the prevailing maritime situation in the Persian Gulf, detailing the measures being undertaken to ensure the safety and security of Indian vessels and crew in the region. It was stated that:

- The Ministry of Ports, Shipping and Waterways continues to coordinate with the Ministry of External Affairs, Indian Missions, and maritime stakeholders to ensure seafarer welfare and uninterrupted maritime operations.
- All Indian seafarers in the region are safe, and no incident involving Indian-flagged vessels has been reported in the past 24 hours.
- The DG Shipping Control Room has handled 8,268 calls and more than 17,694 emails since activation. In the past 24 hours, 113 calls and 295 emails have been received.
- The Ministry, through the Directorate General of Shipping (DG Shipping), has facilitated the safe repatriation of more than 2,892 Indian seafarers so far, including 35 in the last 24 hours from various locations across the Gulf region.
- Port operations across India remain normal, with no congestion reported.

Safety of Indian Nationals in the Region

The Ministry of External Affairs continues to monitor developments in the Gulf and West Asia region, with focused efforts on ensuring safety, security and welfare of the Indian community in the region. It was informed that:

- The Dedicated special control room in the Ministry is operational to respond to queries from Indian nationals and their families.
- The Ministry of External Affairs is in regular contact with State Governments and Union Territories for sharing of information and better alignment of efforts.
- Indian embassies and consulates continue to operate round-the-clock helplines to provide timely assistance and are proactively assisting our citizens. They are also in close contact with the local Governments.
- Updated advisories are being issued including information related to local government guidelines, flight and travel situations, consular services and various welfare measures being undertaken for the community.
- Indian Missions are actively engaged with the resident Indian community. They are regularly interacting with the Indian community associations, organizations, professional groups, and Indian companies to address their concerns.
- Government is according high priority to the welfare of Indian seafarers in the region. Indian Missions are extending all assistance to them including coordination with the local authorities and agencies, extending consular assistance, and assisting for requests to return to India.
- The overall flight situation continues to improve with additional flights operating from the region to various destinations in India.
- In the UAE, airlines continue to operate limited commercial flights between the UAE and India based on operational and safety considerations.
- Flights continue to operate from various airports in Saudi Arabia and Oman to various destinations in India.
- With Qatar airspace partially open, Qatar Airways is operating flights to various destinations in India. Air India and Indigo are scheduled to start flight operations from Qatar to India soon.
- Kuwait airspace is open. Jazeera Airways and Kuwait Airways have resumed limited flight operations from Kuwait to India.
- Bahrain airspace is open. Gulf Air is operating flights from Bahrain to various destinations in India. Air India Express started its operations from Bahrain yesterday. Indigo is also planning to resume flight operations from Bahrain to India soon.
- Iraq airspace is open with limited flight operations to destinations in the region, which can be used for onward travel to India.
- Iran airspace is partially open for cargo and chartered flights. Indian nationals are advised to avoid travelling to Iran and those already there are urged to leave via land border routes, with Indian Embassy's support. So far, the Indian Embassy in Tehran has facilitated movement of 2,490 Indian nationals out of Iran through land border routes.
- Israel airspace is open and limited flight operations have resumed to destinations in the region, which can be used for onward travel to India.
