

Union Home Minister and Minister of Cooperation, Shri Amit Shah chairs a meeting on border-related issues in Bhuj, Gujarat

Border fencing, maritime security and the State Government's firm political resolve have brought about a significant transformation in Gujarat's security landscape

Infiltration into the state and cross-border smuggling have completely ceased

District Magistrates must strictly monitor and regularly report on demographic changes occurring in border districts

Reverse migration happening in border areas due to the establishment of industrial units is a welcome development

Local administrations should formulate SOPs for specific challenges and requirements of each border district, to ensure identification of existing infiltrators and threats related to drones and narcotics

From police station to Patwari, everyone must work in unison to ensure repatriation of already settled infiltrators from the region

All unauthorized encroachments within a 0 to 15-km radius of international border must be eliminated with a zero tolerance policy; a sharp vigil must be kept on centers of radicalization within border areas

A Security Coordination Group should be formed in every district, comprising representatives from BSF, Coast Guard, IT Department, ED, and Lead Bank Manager

Strict vigil must be maintained in border districts for Hawala transactions, financial dealings, mule accounts, shell companies, suspicious vehicles, and GST collections; IT Department, with RBI, should launch a comprehensive survey drive

Responsibility for effective enforcement of laws pertaining to Income Tax, Money Laundering and Customs shall rest with the DM, SP and the IG (Border Range)

Union Home Minister and Minister of Cooperation, Shri Amit Shah, chaired a security review meeting in Bhuj, Gujarat, focusing on security-related issues concerning the border and coastal districts of Gujarat situated along the India-Pakistan Border (IPB). Chief Minister and Deputy Chief Minister of Gujarat, Chief Secretary, DGP, Gujarat, along with other senior state government officials, as well as the District Magistrates and Superintendents of Police of Kutch, Vav-Tharad, and Patan were present in the meeting. With a view to achieving more robust and comprehensive border management, the meeting focused on the challenges, threats, and emerging concerns in these border areas along the India-Pakistan Border, and emphasized the active and effective role of the state government—particularly the DMs and SPs—in this regard.

During the meeting, Union Home Minister and Minister of Cooperation, Shri Amit Shah, said that border fencing, maritime border security, and the strong political will of the state government have brought about a significant transformation in Gujarat's security landscape. This has resulted in the complete cessation of infiltration into the state and smuggling on the border. He emphasized that a zero-tolerance approach should be adopted towards all unauthorized encroachments within the 0–15 km belt along the international border, and efforts should be made to eliminate them. He also stressed the need to maintain a close watch on centres of radicalization in border areas.

Shri Amit Shah said that District Magistrates must strictly monitor and regularly report on demographic changes occurring in border districts. He stated that reverse migration happening in border areas due to the establishment of industrial units is a welcome development. Shri Shah said that everyone—from police station to patwari—should work in unison to ensure deportation of already settled illegal infiltrators. He said that the local administrations should formulate SOPs for specific challenges and requirements of each border district, to ensure identification of existing infiltrators and threats related to drones and narcotics.

Union Home Minister said that Security Coordination Groups should be formed in every district, comprising the BSF, Coast Guard, Income Tax Department, Enforcement Directorate (ED), and the Lead Bank Manager. He said that the responsibility for the effective enforcement of Income Tax, anti-money laundering, and Customs laws should rest with the District Magistrate (DM), Superintendent of Police (SP), and Inspector General (IG), Border Range.

Shri Amit Shah emphasized the need to maintain strict vigil over hawala transactions, financial dealings, mule accounts, shell companies, suspicious vehicles, and GST collections in border districts. He stated that agencies combating financial crimes should strictly be kept apprised regarding border areas, and that the Income Tax Department, in collaboration with the RBI, should conduct extensive survey campaigns.

Union Home Minister said that, given the proximity to the International Maritime Boundary Line (IMBL), there is a need to prioritize coastal security and ensure effective coordination with the Indian Coast Guard. He further directed that, alongside the 'Vibrant Villages' initiative, 100% saturation of every scheme—both of the Central and State governments—must be ensured in the border villages.
