The recognition was conferred for the Viksit Bharat Young Leaders' Dialogue (VBYLD) Quiz, a nationwide youth engagement initiative aimed at strengthening awareness and participation among young citizens in the vision of Viksit Bharat@2047. Conducted through the MY Bharat portal, the initiative witnessed participation from over **50.42 lakh youth** representing all **28 States and 8 Union Territories**, making it one of the largest digital youth engagement exercises undertaken in the country.

The Minister congratulated **MY Bharat** and the entire team on this remarkable achievement. He said that the portal is catering to the aspirations of India's youth, who constitute nearly **65% of the country's population below the age of 35 years**.

He further stated that the trust and confidence of young people in the portal is evident from the fact that, in just three years, **MY Bharat has recorded 2.19 crore registrations**, with thousands of new youth joining every day.

The Minister also congratulated the youth of India for this **Guinness World Record**, saying that **this recognition truly belongs to them and reflects the faith they have placed in the journey towards Viksit Bharat**.

He added that the **MY Bharat portal is not merely a digital platform, but a credible and empowering space** where young people can engage meaningfully, share their ideas, and contribute to **the vision of the Prime Minister** to achieve **Viksit Bharat@2047**. This, he said, was clearly demonstrated when ideas shared by youth through **VBYLD** found reflection in the **Union Budget 2026**.

The Secretary, Department of Youth Affairs, **Smt. Pallavi Jain Govil**, said that the **MY Bharat portal** has emerged as a credible platform for meaningful youth engagement across India. She added that the portal enables multiple forms of engagement through the **organic and voluntary participation of young people**.

During the official Guinness World Records assessment period from 25 October to 31 October 2025, more than **8.39 lakh quiz participations** were recorded on the platform. Following a comprehensive verification process involving independent digital forensic audits, evidence validation and detailed scrutiny of participation records, Guinness World Records certified **390,812** eligible participants, thereby establishing a new world record.

The achievement underscores the Government of India's commitment to leveraging digital technologies to expand opportunities for youth engagement and participation. It also highlights the growing role of MY Bharat as a national platform for volunteering, experiential learning, leadership development and community-driven action.

The Guinness World Records recognition marks a significant milestone in India's efforts to harness digital innovation for youth empowerment and citizen participation while advancing the shared vision of **Viksit Bharat@2047**.
