

Prime Minister highlights remarkable momentum in India's digital infrastructure journey

PM Lauds AirTrunk's proposed investment of around Rs. 3 lakh crore to develop 5 GW data centre capacity

प्रविष्टि तिथि: 05 JUN 2026 5:10PM by PIB Delhi

Prime Minister Shri Narendra Modi today highlighted that India's digital infrastructure journey is gathering remarkable momentum. The Prime Minister noted that AirTrunk has announced plans to invest around Rs. 3 lakh crore (\$30 billion) in India and develop 5 GW of data centre capacity, observing that this is among the largest proposed investments in the country's digital infrastructure ecosystem.

Shri Modi stated that such investments will significantly strengthen India's position as a global hub for cloud computing and AI. The Prime Minister pointed out that these developments will simultaneously generate employment opportunities, support local supply chains, and accelerate innovation-led growth, affirming that the future of the world's digital economy is increasingly being shaped in India.

The Prime Minister posted on X:

"India's digital infrastructure journey is gathering remarkable momentum.

AirTrunk has announced plans to invest around Rs. 3 lakh crore (\$30 billion) in India, and develop 5 GW of data centre capacity. This is among the largest proposed investments in the country's digital infrastructure ecosystem.

Such investments will strengthen India's position as a global hub for cloud computing and AI, while generating employment opportunities, supporting local supply chains and accelerating innovation-led growth.

It is clear that the future of the world's digital economy is increasingly being shaped in India!"
