प्रविष्टि तिथि: 08 JUN 2026 3:19PM by PIB Delhi

The Ministry of Health and Family Welfare will launch nationwide celebrations from tomorrow (9th June 2026) to commemorate “10 Years of PMSMA – A Decade of Care”, marking a decade of the successful implementation of the Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA), one of India's flagship initiatives aimed at ensuring safe pregnancy and healthy motherhood.

The inaugural ceremony will be presided over by Union Minister of Health and Family Welfare, Shri Jagat Prakash Nadda.

As part of the celebrations, awareness and outreach activities will be organized across States and Union Territories to encourage pregnant women and their families **to avail the nine assured free services available under PMSMA** and promote the importance of timely and quality antenatal care.

Furthermore, a special ₹75 Commemorative Coin and a ₹5 Postal Stamp will be released by Union Minister of Health and Family Welfare, Shri Jagat Prakash Nadda, to honour a decade of the Pradhan Mantri Surakshit Matritva Abhiyan's contribution towards advancing safe motherhood and strengthening maternal healthcare services across the country.

Launched on June 9, 2016, by the Hon'ble Prime Minister Shri Narendra Modi, the scheme has spent a decade transforming the landscape of maternal and neonatal healthcare by providing free, comprehensive, and quality Antenatal Care (ANC) services to pregnant women on the 9th of every month.

Marking a decade of excellence (2016-26), PMSMA is a vital pillar of the Government of India's Continuum of Care approach under the Reproductive, Maternal, Newborn, Child and Adolescent Health (RMNCH+A) Strategy, dedicated to transforming the quality, coverage, diagnostics, and counselling services of Antenatal Care (ANC), thus impacting crores of families and significantly reducing the country's maternal mortality ratio (MMR).
