The Prime Minister, Shri Narendra Modi has highlighted the government's efforts to enhance Ease of Living for the middle class and said that it is the privilege of the Government to work towards fulfilling the aspirations of the middle class. He noted that the middle class has contributed to nation-building in countless ways.

Shri Modi further said that over the last decade, governance has increasingly focused on improving the quality of life of ordinary citizens. Shri Modi added that the Government's efforts are aimed at ensuring easier access to opportunities, better infrastructure, improved public services, affordable healthcare, quality education, cleaner cities and reduced burdens in everyday life.

In a series of X post, the Prime Minister said;

“A Government for the middle class...

It is the NDA Government's privilege to be working towards fulfilling the aspirations of our middle class. They have contributed to nation-building in countless ways.

Over the last decade, governance has increasingly focused on improving the quality of life of ordinary citizens. Our efforts are about easier access to opportunities, better infrastructure, improved public services, affordable healthcare, quality education, cleaner cities and reduced burdens in everyday life.
