प्रविष्टि तिथि: 16 JUN 2026 11:44AM by PIB Delhi

The Ministry of Petroleum and Natural Gas has noticed a series of media reports suggesting that the Government of India is actively pursuing a deep-sea energy pipeline, sometimes referred to as the Middle East-India Deepwater Pipeline (MEIDP), connecting Gujarat to Oman and other Gulf countries.

The Ministry of Petroleum and Natural Gas wishes to categorically clarify that no such proposal is currently under consideration by this Ministry. There are no active discussions or negotiations with Oman or any other Gulf countries on this project at any level in this Ministry.

This clarification is issued to put all speculation in this regard to rest.
