Chhatrapati Sambhajnagar : 16 June 2026

Union Minister of State for Consumer Affairs, Food and Public Distribution, Nimuben Bambhaniya, today visited the AURIC project in Chhatrapati Sambhajnagar, which is a key part of the Delhi-Mumbai Industrial Corridor (DMIC). During her visit, she inspected the operations of various industrial companies within the project and understood the challenges faced by them.

The government under the leadership of Prime Minister Narendra Modi has completed 12 years in office. To mark this occasion, Union Ministers and public representatives are traveling across the country to interact with citizens and share information about the government's achievements. As part of this initiative, Minister of State Nimuben Bambhaniya's tour to Chhatrapati Sambhajnagar was organized. On the first day of her visit, Bambhaniya visited several key locations.

First, she paid tribute to the statue of Swami Vivekananda at Swami Vivekananda Garden in HUDCO. A cleanliness drive was conducted in this park, and a tree plantation ceremony was held at the hands of Nimuben Bambhaniya. Following this, she visited the Municipal Corporation's waste processing center in HUDCO.

In the subsequent session, she visited the AURIC project at Bidkin, which is part of the Delhi-Mumbai Industrial Corridor. During this visit, she reviewed the progress of various private enterprises and companies. Speaking on the occasion, Bambhaniya stated that the Bidkin AURIC City, jointly developed by the Central and State Governments, is emerging as an EV (Electric Vehicle) Hub, and expressed satisfaction that it is generating significant employment opportunities for the youth.

While praising the work of the companies involved in the project, she also guided them on environmental aspects such as pollution control, solar energy adoption, and water management.
