

Prime Minister highlights transformation of India's defence capabilities driven by self-reliance and innovation over the last decade

प्रविष्टि तिथि: 17 JUN 2026 12:34PM by PIB Delhi

The Prime Minister, Shri Narendra Modi has highlighted the significant transformation witnessed in India's defence capabilities over the last decade.

Shri Modi said that India's defence capabilities have undergone a major transformation, guided by the vision of self-reliance and powered by innovation, technology and indigenous manufacturing.

The Prime Minister noted that the progress made in the defence sector over the last 12 years reflects India's growing focus on strengthening national security through self-reliance.

The Prime Minister further stated that India has strengthened its defence capabilities across air, land and sea, advanced indigenous technologies and built a stronger foundation for self-reliance and national security.

The Prime Minister wrote on X;

India's defence capabilities have witnessed significant transformation over the last decade, guided by the vision of self-reliance and powered by innovation, technology and indigenous manufacturing. This thread gives a glimpse of the strides India has made in the defence sector over the last 12 years.
