

Prime Minister shares an article on solar energy, agriculture and shared prosperity

प्रविष्टि तिथि: 17 JUN 2026 1:05PM by PIB Delhi

The Prime Minister, Shri Narendra Modi has shared an article written by Union Minister Shri Pralhad Joshi and DG International Solar Alliance, Shri Ashish Khanna.

The article highlights that solar power is emerging as a transformative force. It notes that India's model of harnessing clean energy for agriculture offers a scalable model for Africa, strengthening shared prosperity, empowering communities and promoting food security. The article describes this achievement as a matter of pride for India's farmers and the nation.

The Prime Minister's Office posted on X;

“Solar power is emerging as a transformative force. India's model of harnessing clean energy for agriculture offers a scalable model for Africa, strengthening shared prosperity, empowering communities and promising food security. Truly a matter of pride for our farmers and all of us!

Read this insightful article by Union Minister Shri @JoshiPralhad and DG, @isolaralliance, Shri Ashish Khanna.”
