Prime Minister Shri Narendra Modi will disburse incentives worth around ₹2,400 crore under the Pradhan Mantri Viksit Bharat Rozgar Yojana (PM-VBRY) at a special programme to be held on 19 June 2026 at 5 PM at Vigyan Bhawan, New Delhi.

The disbursal marks a significant milestone in the implementation of PM-VBRY, the Government of India's flagship employment-linked incentive scheme aimed at accelerating job creation, promoting formalisation of employment, enhancing employability, and expanding social security coverage across sectors. This incentive has supported the creation of 15 lakh employment opportunities across the country.

PM-VBRY is designed to encourage both workers and employers to participate in the formal economy. Under the scheme, first-time employees are eligible for an incentive of up to ₹15,000, providing crucial support as they enter the workforce. Employers generating additional employment are eligible for incentives of up to ₹3,000 per month per additional employee, thereby encouraging sustained job creation. Recognising the strategic importance of manufacturing in driving economic growth, employers in the manufacturing sector are eligible to receive incentives for a period of four years, while employers in all other sectors can avail incentives for two years.

The scheme reflects the Government's commitment to fostering an enabling ecosystem for employment-led growth and ensuring that the benefits of India's economic progress translate into quality formal employment opportunities for its youth.

PM-VBRY came into effect on 1 August 2025. With a total outlay of ₹99,446 crore, the scheme aims to incentivise the creation of more than 3.5 crore jobs over a two-year period. Of these, approximately 1.92 crore beneficiaries are expected to be first-time entrants into the workforce. By supporting both employees and employers, the scheme is playing a transformative role in expanding formal employment, strengthening social security coverage, and advancing the vision of a Viksit Bharat.
