

Prime Minister shares an article on India seeking to place the Global South at the centre of global energy future

प्रविष्टि तिथि: 27 JUN 2026 1:27PM by PIB Delhi

The Prime Minister, Shri Narendra Modi has shared an article written by Union Minister Shri Manohar Lal Khattar, on India seeking to place the Global South at the centre of a secure, resilient, equitable and sustainable global energy future. "He highlights India's belief that resilient energy systems are built not only through strong domestic policies but also through stronger international partnerships", Shri Modi remarked.

The Prime Minister posted on X:

As India takes up the BRICS Chairship in 2026, Union Minister Shri @mlkhattar writes that India seeks to place the Global South at the centre of a secure, resilient, equitable and sustainable global energy future.

He highlights India's belief that resilient energy systems are built not only through strong domestic policies but also through stronger international partnerships.
