The National Water Awards (NWAs) were introduced to recognize and encourage exemplary work and efforts made by States, Districts, individuals, organizations etc. across the country in accomplishing the government's vision 'Jal Samridh Bharat'. It aims to sensitize the public about the importance of water and motivate them to adopt the best water usage practices. The objective of the National Water Awards is to encourage the stakeholders to adopt a holistic approach toward water resource management in the country as surface water and groundwater play a significant role in the water cycle. The first edition of the National Water Awards was introduced in the year 2018 by the Department and 6 editions of the Awards have been successfully organised by the Department.
