The Bilateral Investment Agreement (BIA) between the Government of the Republic of India and the Government of the State of Israel signed on 8th September 2025 in New Delhi, enters into force with effect from today, i.e., 04 July 2026.

The BIA is a landmark step towards strengthening bilateral economic relations and ensuring a secure and predictable investment climate.

The BIA is robust in protection of Investment and Investor with respect to their investments while being flexible enough to retain sovereign policy space in line with legitimate public policy objectives, reflecting the modern principles and evolving jurisprudence of international investment law.

The BIA is expected to contribute to increased cross-border investment activity and further deepen the economic partnership between India and Israel.
