The Prime Minister, Shri Narendra Modi, has shared an article written by Union Minister, Shri Chirag Paswan.

The Prime Minister noted that India's micro food processing sector is powering grassroots entrepreneurship, particularly among women. He added that the article highlights how the PMFME Scheme is formalising enterprises through affordable finance, technology, branding and market linkages, enabling local producers to become job creators, strengthen rural economies and build an Aatmanirbhar Bharat.

The Prime Minister posted on X:

“India's micro food processing sector is powering grassroots entrepreneurship, particularly among women. Union Minister Shri @iChiragPaswan highlights how the PMFME Scheme is formalising enterprises through affordable finance, technology, branding and market linkages. It is enabling local producers to become job creators, strengthen rural economies and build an Aatmanirbhar Bharat.”
