

CCTV Surveillance Systems Provided at 3,215 Railway Stations and 13,409 Passenger Coaches to Strengthen Passenger Safety and Security

Northern Railway Leads with CCTV Coverage at 425 Stations, followed by Western Railway (391) and Eastern Railway (271)

Western Railway Tops in CCTV-equipped Passenger Coaches with 1,735 Coaches, followed by Northern Railway (1,483) and Southern Railway (1,481)

All Operational Vande Bharat and Amrit Bharat Train Rakes Equipped with CCTV Cameras

प्रविष्टि तिथि: 24 JUL 2026 4:17PM by PIB Delhi

Installation of CCTV surveillance systems at railway stations, passenger coaches and other railway premises has been planned across the Indian Railways network with the objective of strengthening passenger safety and enhancing security surveillance. The installation of CCTV surveillance systems is being undertaken in a phased manner. All operational Vande Bharat and Amrit Bharat train rakes have already been equipped with CCTV cameras.

So far, CCTV surveillance systems have been provided at 3,215 railway stations and 13,409 passenger coaches. The zone-wise details are as follows:

S.No	Railway Zone	Number of stations provided with CCTV system	Number of coaches fitted with cameras
1.	Central Railway	240	1384
2.	Eastern Railway	271	1288
3.	East Central Railway	237	617
4.	East Coast Railway	80	601
5.	Northern Railway	425	1483

6.	North Central Railway	141	339
7.	North Eastern Railway	93	758
8.	Northeast Frontier Railway	94	410
9.	North Western Railway	35	261
10.	Southern Railway	140	1481
11.	South Central Railway	30	947
12.	South Coast Railway	202	415
13.	South Eastern Railway	197	665
14.	South East Central Railway	145	303
15.	South Western Railway	195	452
16.	Western Railway	391	1735
17.	West Central Railway	170	270
18.	Metro Railway, Kolkata	57	---
19.	Konkan Railway Corporation Limited	72	---
	Total	3215	13409

Installation of CCTV surveillance systems is a continuous and ongoing process. **The installed CCTV cameras at stations are equipped with AI-based video analytics features, such as intrusion detection, loitering detection and fallen person detection.** During the last three years i.e. 2023 to 2025 and up to June, 2026, 9840 security-related incidents have been detected.

This information was provided by the Union Minister for Railways, Information & Broadcasting and Electronics & Information Technology, Shri Ashwini Vaishnaw, in a reply to a question in the Rajya Sabha today.
