NTPC Ltd., India's largest integrated power utility, has announced its unaudited financial results for the first quarter ended 30.06.2026, reporting a strong all-round performance driven by operational gains and continuing growth.

On a standalone basis, NTPC reported a total income of 44,512 crore for Q1 FY27, registering a 3% increase as compared to Q1 FY 26. Profit After Tax (PAT) for Q1 FY 27 rose to 5,342 crore up from *4,775 crore for Q1 FY 26. The PAT growth was primarily driven by gains from capacity additions & operational efficiencies.

On a consolidated basis, NTPC Group's PAT for Q1 FY27 rose by 13% to 6,896 crore from 6,108 for Q1 FY26. The strong performance was bolstered by a 62% increase in the profit from group companies, which reached 1,832 crore

in Q1 FY27 from 1,131 crore in Q1 FY26. NTPC's Coal power stations continue to set industry benchmarks in operational efficiency. NTPC's coal plants achieved a Plant Load Factor of 76.71% during Q1 FY27, significantly outperforming the Rest of India Coal PLF of 70.32%.

The results reinforce NTPC's leadership position in India's power sector, backed by sustained operational excellence and a diversified growth strategy.
