In Union Budget 2026, it was announced to launch a Coastal Cargo Promotion Scheme to increase the share of inland waterways and coastal shipping from 6% to 12% by 2047. At present, the proposed Coastal Cargo Promotion Scheme is at formation stage.

The Ministry of Ports, Shipping and Waterways has been actively pursuing the promotion of coastal shipping through various initiatives. In this regard, the Government has taken following measures:

40% concession on port charges (vessel and cargo-related charges) is provided for coastal cargo vessels.

Priority berthing policy for coastal vessels has been notified to reduce turnaround time for coastal vessels and improve their utilization.

GST on bunker fuel used by Indian-flag vessels has been reduced from 18% to 5%.

Green channel clearance introduced for faster evacuation of coastal cargo at ports.

The Coastal Shipping Act, 2025 enacted to promote coastal shipping.

The Ministry of Ports, Shipping and Waterways has sanctioned 30 infrastructure development projects for financial assistance under the Sagarmala scheme to promote Ro-Ro, Ro-Pax and Passenger ferry services. Out of these, 18 projects worth ₹ 739 crore have been completed.

On account of completed projects, for instance, Ro-Pax ferry on the Ghogha– Hazira route in the state of Gujarat cuts a 12-hour road journey down to 4-hour sea route and Ro-Pax ferry on Mumbai –Mandwa route in the state of Maharashtra reduces travel time to Alibaug from 4 hours by road to just 1 hour by sea route.
