

Driving Clean Energy and Sustainable Entrepreneurship: How VCF-SC Enabled Dartyens Power Pvt. Ltd. to Establish a Successful Solar Power Project

प्रविष्टि तिथि: 03 AUG 2026 6:48PM by PIB Delhi

India's transition towards clean and renewable energy requires innovative entrepreneurs backed by timely financial support. Recognising the importance of promoting sustainable enterprises while creating employment opportunities, the **Venture Capital Fund for Scheduled Castes (VCF-SC)** under the Ministry of Social Justice and Empowerment has been supporting Scheduled Caste entrepreneurs in establishing commercially viable businesses. One such success story is **Dartyens Power Pvt. Ltd.**, owned by **Dasari Kumari**, located in **Nalgonda, Telangana**, which has successfully established and operates a **1 MW Solar Power Plant**, contributing to clean energy generation and regional economic development.

Recognising the project's potential, the Venture Capital Fund for Scheduled Castes extended financial assistance of **₹4.35 crore** in **2016** through **venture capital assistance comprising equity and optionally convertible debentures**. The financial support enabled the company to establish the solar power project and strengthen its long-term operational and financial sustainability.

Ms. Dasari Kumari

The financial assistance enabled Dartyens Power Pvt. Ltd. to successfully commission and operate a **1 MW Solar Power Plant**, generating clean and sustainable energy while improving operational efficiency. The enterprise has consistently achieved its expected performance targets and generates stable revenue in

line with planned financial projections. The project has also strengthened environmental sustainability by promoting renewable energy generation in the region.

Solar Power Plant

Sustainable Growth Through Renewable Energy

The intervention has created a significant socio-economic impact. The enterprise is operating successfully with improved financial growth and has generated both direct and indirect employment opportunities for local people. It has also established strong market linkages with clients, ensuring sustained business expansion and long-term commercial viability while contributing to India's clean energy mission.

Reflecting on the journey, **Ms. Dasari Kumari** said:

"The support received under the Venture Capital Fund for Scheduled Castes (VCF-SC), Ministry of Social Justice and Empowerment, enabled us to establish our solar power project successfully. The assistance strengthened our business operations, improved financial sustainability and helped us generate clean energy while creating employment opportunities for the local community."

The success of **Dartyens Power Pvt. Ltd.** demonstrates how targeted financial support under the **Venture Capital Fund for Scheduled Castes (VCF-SC)** is empowering Scheduled Caste entrepreneurs to establish sustainable enterprises in emerging sectors such as renewable energy. By supporting entrepreneurship, generating employment and promoting environmentally sustainable development, the Ministry of Social Justice and Empowerment continues to build inclusive growth and sustainable futures across the country.
