The year-wise quantum of medicines sold through Primary Agricultural Credit Societies (PACS) functioning as Jan Aushadhi Kendras (JAKs) during the last three financial year is shown in Annexure – A.

The year-wise increase in the number of PACS operating as PMBJKs is shown in Annexure – B.

To prioritize PACS based Janaushadhi Kendras in aspirational districts and remote rural areas, North-Eastern States, Himalayan Regions and island territories, **One-Time Special Grant of ₹2.00 lakh** as reimbursement for IT infrastructure (computers, printers, internet at ₹0.50 lakh) and furniture/fixtures (₹1.50 lakh) is provided. The ₹2.00 lakh grant also applies to entrepreneurs who are women, SC/ST, Divyangjan, or ex-servicemen. Janaushadhi Kendras owners receive normal incentives of **20% of monthly purchases** (up to a ceiling of ₹20,000 per month) tied to a stocking mandate of 200 high-demand medicines. PACS operating Jan Aushadhi Kendras are eligible for the same benefits as other Jan Aushadhi Kendras under the Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP). These include a **30% trade margin on the Maximum Retail Price (MRP)** and incentives on the purchase of medicines and fulfilment of stocking requirements, as per the extant PMBJP guidelines. Such PACS can earn as average income more than Rs.35,000/- annually. Also, special facilities are being given to women, by providing **Jan Aushadhi Suvidha Sanitary Napkins (for menstrual hygiene)** at **₹1 per pad** through Jan Aushadhi Kendras.
