Panchayat, being “Local Self Government”, is a State subject and part of the State list of the Seventh Schedule of the Constitution of India. However, the Ministry of Panchayati Raj is implementing the Centrally Sponsored Scheme of Revamped Rashtriya Gram Swaraj Abhiyan (RGSA) since the financial year 2022-23 in States/ UTs. The main objective of the scheme is to strengthen the capacity of Panchayati Raj institutions (PRIs) by imparting training to Elected Representatives (ERs), Panchayat Functionaries and other stakeholders to develop their governance capabilities for leadership roles, enabling the Gram Panchayats and Local bodies to function effectively across all States/UTs including the State of West Bengal.

Apart from different trainings, the Scheme also supports development of Panchayat infrastructure like Gram Panchayat Bhawan, Computer and Co-location (on a limited scale) of Common Service Centers (CSCs) in Gram Panchayat Bhawan to the States/ UTs including in the State of West Bengal.

Under Revamped RGSA, the Central Empowered Committee of RGSA accords approval to the units under various components based on the Annual Action Plan (AAP) submitted by the State/UT.
