

Prime Minister shares an article on India's BRICS chairship and sustainable development

प्रविष्टि तिथि: 20 AUG 2026 9:39PM by PIB Delhi

The Prime Minister, Shri Narendra Modi, has shared an article written by Union Minister Shri Bhupender Yadav.

The article highlights how India's BRICS chairship advances sustainable development through people-centric climate action. It notes the focus on sustainable lifestyles, afforestation, circular economy and community-based adaptation. It also highlights India's progress in reducing emissions intensity and expanding non-fossil energy capacity, reinforcing this approach.

The Prime Minister's Office posted on X;

“Union Minister Shri @byadavbjp highlights how India's BRICS chairship advances sustainable development through people-centric climate action.

The Minister says the focus is on measures such as sustainable lifestyles, afforestation, circular economy and community-based adaptation. India's progress in reducing emissions intensity and expanding non-fossil energy capacity reinforces this approach.”
