

NTPC Electron Quiz 2026–27 to be Held in Mumbai on September 17

Posted On: 03 SEP 2026 3:28PM by PIB Mumbai

Mumbai, 3 September 2026

NTPC Limited, India's largest integrated power utility, has invited students pursuing Engineering and Management programmes to participate in the Mumbai Regional Round of NTPC Electron Quiz 2026–27. The quiz is a national-level initiative aimed at encouraging knowledge, curiosity, analytical thinking and healthy competition among young students.

The Mumbai Regional Round will be held on September 17, 2026, at Bharat Ratnam – Mega CFC, Gate No. 4 & 5, 6th Floor, SEEPZ Special Economic Zone, Andheri (East), Mumbai – 400096.

The theme of this year's quiz is "Anything and Everything from the World of Business and Management." The competition will test participants' knowledge across various areas of business and management. Each team will consist of two students.

The Regional Round will begin with a Written Round, followed by an On-stage Multimedia Regional Finale for the top six teams. The top two teams from the Mumbai Regional Round will qualify for the National Level.

The winning team at the Regional Round will receive a prize of ₹60,000, while the runner-up and third-placed teams will receive ₹40,000 and ₹20,000, respectively. Teams securing fourth, fifth and sixth positions will receive ₹8,000 each. Audience prizes will also be given to students attending the quiz.

At the National Level, the winning team will receive ₹1,00,000, while the second and third-placed teams will receive ₹60,000 and ₹40,000, respectively. Consolation prizes will also be awarded to other qualifying teams.

There is no registration or participation fee and institutions may nominate multiple teams. Students can register through the designated registration link or by sending their details to electronquiz2025@ntpc.co.in. The last date for registration is September 15, 2026.

NTPC has been organising the Electron Quiz since 2004 as part of its efforts to engage with the student community and provide young minds with opportunities to enhance their knowledge, analytical abilities and competitive spirit.
