

IAF's SARANG HELICOPTER TEAM REACHES EGYPT FOR THE EL ALAMEIN INTERNATIONAL AIRSHOW

Posted On: 06 SEP 2026 12:59PM by PIB Delhi

The Sarang Helicopter Display Team of Indian Air Force has reached Egypt to participate in the 2nd edition of the El Alamein International Airshow, scheduled to be held from 08 to 10 September 2026 at El Alamein International Airport.

The IAF Sarang team is the world's only five helicopter display team. The team will showcase precision, professionalism and flying skills through a series of meticulously choreographed displays. This marks another significant milestone in international engagements by the Indian Air Force reflecting growing defence and diplomatic ties between India and Egypt.

Flying the indigenously designed and manufactured Advanced Light Helicopter (ALH) Dhruv, the Sarang team is renowned for its demanding formation manoeuvres close-proximity flying and synchronised aerial sequences. The display highlights not only the exceptional skill and discipline of its pilots but also the capabilities of India's indigenous aerospace industry.

The Sarang team will display its famous "Dolphin Leap" manoeuvre and also present a new manoeuvre called the Spot Stall Turn. The team's participation will provide an opportunity for spectators and aviation enthusiasts from across the world to witness the versatility and agility of the ALH Dhruv while witnessing the bold spirit of the Indian Air Force.

The El Alamein International Airshow brings together leading Air Forces as well as professionals in the aerospace, defense, and space sectors from around the world. The Sarang display over Egyptian skies will add a distinctive dimension to the event, besides strengthening ties with other International teams from across the world.
