As part of the Indian Navy's Operational Deployment, Indian Naval Ship Mysore participated in the 4th edition of Exercise *Samudra Laksamana* with the **Royal Malaysian Navy** at Lumut, Malaysia, from **09 to 12 Sep 2026**.

The exercise provided an opportunity for the Indian Navy and the Royal Malaysian Navy to engage across a broad spectrum of professional and operational activities. **The harbour phase featured professional exchanges and interactions between personnel of the two Navies**, facilitating the sharing of experiences and fostering greater mutual understanding.

The engagement progressed to the operational phase at sea, during which **INS Mysore exercised with Royal Malaysian Navy ships KD Lekir and KD Gagah Samudera**.
