The Legislative Department, Ministry of Law and Justice, is fully geared up to participate in the upcoming nationwide Special Campaign 6.0. This dedicated government initiative focuses on elevating cleanliness standards and significantly reducing workplace pendency across all ministries. The Government of India has scheduled the official execution of Special Campaign 6 from 2nd October to 31st October 2026. The Legislative Department is organising the Special Campaign 6 under the guidance of the Department of Administrative Reforms and Public Grievances, which will be executed in two phases.

Phase 1: Preparatory Phase (15th to 30th September 2026)

During this planning window, the department will lay the groundwork by identifying target areas and streamlining operational backlogs:

- **Space & Waste Assessment:** Identifying specific cleanliness sites, upgrading space management, and scheduling the disposal of scrap, obsolete office items, and accumulated e-waste.
- **Clearing Pending References:** Fast-tracking the disposal of high-priority communications, including references from Members of Parliament (MPs), State Governments, Prime Minister's Office (PMO), and pending Parliamentary Assurances.
- **Grievance Redressal:** Reviewing and resolving long-standing public grievances and official appeals.
- **Process Optimization:** Improving record management systems and simplifying administrative rules and procedures for better governance.
- **Capacity Building:** Organizing targeted training sessions, workshops, and awareness drives to align officers, staff, and support personnel with the campaign's goals.

Phase 2: Implementation Phase (2nd to 31st October 2026)

This phase will mark the active, on-ground execution of all planned activities:

- **Deep Cleaning Drives:** Carrying out intensive, comprehensive cleaning of office premises, common corridors, washrooms, and surrounding facility areas.
- **Eco-Friendly Waste Disposal:** Efficiently processing and disposing of all categorized e-waste and office scrap in an environmentally responsible manner.
- **Progress Monitoring:** Establishing continuous daily monitoring and reporting mechanisms to maintain strict hygiene standards and ensure the campaign's ultimate success.

The Legislative Department reaffirms its commitment to building a clean, healthy, and sustainable working ecosystem. It calls upon all its officers and personnel to take active individual and collective responsibility to make this national drive a success.
