

Prime Minister shares an article highlighting governance model centred on technology, trust and citizen engagement

Posted On: 17 SEP 2026 1:39PM by PIB Delhi

The Prime Minister, Shri Narendra Modi, today shared an article by Shri Rajiv Gauba, Member, NITI Aayog, highlighting how the Prime Minister's governance model is making technology, trust and citizen engagement central to delivering programmes at India's scale.

Shri Gauba highlighted how digital systems, direct transfers, simpler regulations and transparent procurement are improving efficiency and access, making governance an economic asset for India's growth.

The Prime Minister Office posted on X:

“Shri Rajiv Gauba, Member, NITI Aayog, writes that PM @narendramodi's governance model is making technology, trust and citizen engagement central to delivering programmes at India's scale.

He highlights how digital systems, direct transfers, simpler regulations and transparent procurement are improving efficiency and access, making governance an economic asset for India's growth.”
