The Prime Minister, Shri Narendra Modi, today shared an article by ace badminton player Ms. P. V. Sindhu, reflecting on how the last 12 years have expanded opportunities and pathways for a new generation of Indians to realise their dreams.

Shri Modi said that the article underlines that India has never lacked talent and how expanding opportunities are enabling Indians not just to dream big, but also to turn those dreams into reality.

The Prime Minister Office posted on X:

“India has never lacked talent. What was often missing were opportunities and pathways to realise big dreams.

In her insightful piece, @Pvsindhu1 reflects on how the last 12 years have changed this, enabling a new generation of Indians not just to dream big, but to turn those dreams into reality.”
