

Prime Minister shares an article by Union Minister Shri Bhupender Yadav highlighting efforts strengthening the conservation journey of the Greater One-Horned Rhinoceros

Posted On: 23 SEP 2026 2:25PM by PIB Delhi

The Prime Minister, Shri Narendra Modi, has shared an article written by Union Minister, Shri Bhupender Yadav.

The Prime Minister noted that India's rhino story is one of remarkable recovery of the species. He added that with the rhino population showing sustained growth, India is now one of the world's most important custodians of the Greater One-Horned Rhinoceros, and protecting the grasslands and wetlands that sustain the species is central to its future. Shri Modi further pointed out that the must-read article by the Union Minister highlights how Government efforts are strengthening the conservation journey.

The Prime Minister's Office posted on X:

“India's rhino story is one of remarkable recovery of the species.

With the rhino population showing sustained growth, India is now one of the world's most important custodians of the Greater One-Horned Rhinoceros. Protecting the grasslands and wetlands that sustain the species is central to its future.

This must-read article by Union Minister Shri @byadavbjp highlights how Government efforts are strengthening the conservation journey.”
