

Union Minister Shri Rajiv Ranjan Singh alias Lalan Singh to Launch Livestock Insurance Portal in New Delhi on 28 September 2026

Livestock Insurance Portal to Offer Digital Insurance Services in 11 Regional Languages Along with Hindi and English

Posted On: 27 SEP 2026 3:17PM by PIB Delhi

The Department of Animal Husbandry & Dairying (DAHD), Government of India, will launch the Livestock Insurance Portal on 28th September, 2026 in New Delhi, marking an important milestone in the digital transformation of livestock insurance services in the country.

The Portal will be launched by Shri Rajiv Ranjan Singh alias Lalan Singh, Hon'ble Union Minister for Fisheries, Animal Husbandry & Dairying and Panchayati Raj, Government of India.

The Portal will provide a single, integrated digital platform for livestock insurance, enabling streamlined policy issuance, claim processing, monitoring and reporting, in case of animals insured under the Livestock Insurance Scheme of the Department of Animal Husbandry & Dairying. To promote wider accessibility and ease of use, the Portal will also be available in 11 regional languages apart from Hindi and English, enabling livestock farmers to access information and services in languages familiar to them.

The initiative is aimed at making livestock insurance services more transparent, efficient, accessible and technology-driven, while strengthening risk protection for livestock farmers and supporting the sustainability of their livelihoods.

The Portal will also facilitate better coordination, real-time monitoring and data-driven management of livestock insurance programmes, contributing to improved service delivery across the country.

The launch represents a significant step towards simplifying livestock insurance processes, strengthening institutional efficiency and bringing inclusive, technology-enabled services closer to livestock farmers.
