Posted On: 28 SEP 2026 5:27PM by PIB Delhi

Reflecting strong adoption among National Highway users, the '*FASTag Annual Pass*' has crossed the significant milestone of one crore passes issued after its launch on 15<sup>th</sup> August 2025. The milestone reflects growing acceptance of the Annual Pass among private vehicle owners for providing a seamless and economical travel option on the National Highways and Expressways.

Applicable on about 1,150 fee plazas on National Highways and National Expressways, the Annual Pass eliminates the need to frequently recharge FASTag through one-time fee payment of Rs. 3,075 for one year validity or 200 toll plaza crossings. The pass is applicable for all non-commercial vehicles with a valid FASTag. The annual pass gets activated on the existing FASTag linked to the vehicle after payment of one-time fee payment through Rajmargyatra App.

The growing uptake of the FASTag Annual Pass reinforces its effectiveness in promoting seamless and economical travel on National Highways across the country.
