The Competition Commission of India (CCI) has approved the acquisition of sole control over Omega-Meyer Limited and Meyer Organics Private Limited by BCPE Wellbeing Holdco Two Limited and Integral Investments Asia IV Limited, which are funds managed and/ or advised by Bain Capital.

The Proposed Combination relates to acquisition of sole control over Omega-Meyer Limited (**Cyan Target**) and Meyer Organics Private Limited (**Meyer Target**), which own and control the group of companies and affiliates doing business as 'Vitabiotics' and 'Meyer Organics' respectively, by funds managed and/ or advised by Bain Capital Investors, LLC (**Bain Capital**) acting through BCPE Wellbeing Holdco Two Limited (**Acquirer 1**) and Integral Investments Asia IV Limited (**Acquirer 2**).

Bain Capital is a private equity investment firm based in the USA that invests in companies across a number of industries, including information technology, healthcare, retail and consumer products, communications, financial services and industrial/ manufacturing.

The Targets are engaged in provision of nutraceuticals globally as well as in India. Meyer Organics Private Limited also has presence in production and supply of some over-the-counter and prescription finished dose pharmaceuticals in India.
