The Department of Rural Development, Ministry of Rural Development, Government of India, organised a One-Day Health Check-up Camp at Kartavya Bhavan, New Delhi, on 22 October 2026, in collaboration with the Ministry of Health & Family Welfare. More than 250 staff of the Department, including Safai Karamcharis, attended the camp for their health check-up.

The camp was organised as part of the series of activities being conducted by the Department under Special Campaign 6.0, which is being observed from 2 October to 31 October 2026. The camp mainly focused on outsourced staff, including Safai Karamcharis. The initiative aimed to promote health awareness and preventive healthcare, and to encourage regular health check-ups among employees.

The following health services were provided at the camp:

- Blood Pressure Monitoring
- Random Blood Sugar (RBS) Testing
- General Eye Check-up
- General ENT Examination
- General Physician Consultation

During the campaign period, the Department is organising several activities focusing on cleanliness, disposal of pending matters, redressal of public grievances, better management of physical and digital records, and promoting Swachhata as a regular workplace practice.

The Department remains committed to the objectives of Special Campaign 6.0 by promoting a clean, efficient and people-centric workplace while supporting the well-being of its employees.
