Nagpur, 23 October 2026

NTPC Mouda organised an awareness programme on best environmental practices in collaboration with the Maharashtra Pollution Control Board (MPCB) on 22 October 2026. The programme focused on sustainable power generation, ash utilisation, mill reject management, Miyawaki plantation, fugitive dust emission control and pollution prevention.

Ms. Hema M. Deshpande, Regional Officer, MPCB, graced the occasion as the Chief Guest. Shri Joseph Bastian, Executive Director, NTPC Mouda, senior NTPC Mouda officials and MPCB representatives from Nagpur, Amravati and Bhandara were also present.

Representatives from MAHAGENCO's Koradi, Khaparkheda and Paras power stations, Chandrapur, Sai Wardha Power, Adani Power's Tiroda Plant, VIPL Butibori Thermal Power Station, Rattan India, Ideal Energy and Greentech Foundation participated in the programme and shared their best practices and experiences in environmental management. Special emphasis was laid on the circular economy, resource optimisation and reducing environmental footprints through sustainable practices.

Technical sessions highlighted regulatory compliance, responsible resource utilisation and continuous improvement in environmental performance. Delegates also appreciated the environmental initiatives and best practices implemented at NTPC Mouda.

Participants visited NTPC Mouda's Flue Gas Desulphurisation (FGD) and gypsum production units to gain insights into initiatives for controlling sulphur emissions and promoting the beneficial utilisation of gypsum.

Organised by the Environmental Management Group and the Ash Utilisation Department, the programme reaffirmed NTPC Mouda's commitment to environmental stewardship, sustainable resource management and collaborative efforts towards cleaner power
