

Prime Minister shares an article by former England cricket captain Mr. Kevin Pietersen highlighting India's progress across sports, technology and wildlife conservation

Posted On: 26 OCT 2026 12:26PM by PIB Delhi

The Prime Minister Shri Narendra Modi has shared an article written by former England cricket captain, Mr. Kevin Pietersen.

In the article, Mr. Kevin Pietersen reflects on India's growing sporting strength, the rise of women's cricket and the country's progress in infrastructure and technology. It highlights how the Prime Minister's leadership has contributed to India's changing outlook, alongside efforts to protect wildlife and preserve its natural heritage.

The Prime Minister's Office posted on X:

"India is making its mark across sports, technology and wildlife conservation!

@KP24 reflects on India's growing sporting strength, the rise of women's cricket and the country's progress in infrastructure and technology. He notes how PM @narendramodi's leadership has contributed to India's changing outlook, alongside efforts to protect wildlife and preserve its natural heritage.
