The Ministry of Petroleum & Natural Gas (MoPNG), along with its Central Public Sector Enterprises (CPSEs) and other organisations, is actively implementing Special Campaign 6 , with a focus on cleanliness, efficient record management, disposal of scrap and e-waste, and optimum utilisation of office space.

As part of Special Campaign 6 , the Ministry of Petroleum & Natural Gas and its Oil & Gas CPSEs have made significant progress in promoting cleanliness and optimum utilisation of office space. As per the CPSE-wise progress figures compiled for the campaign, **3.42 lakh square feet of space has been freed, registering an increase of 13.20% over the achievement of the previous year (3.03 lakh square feet)**.

The campaign has generated **₹49.46 crore through the disposal of scrap and e-waste, against a target of ₹41 crore, achieving 120.63% of the target**. These achievements underscore the Ministry’s commitment to institutionalising cleanliness, ensuring scientific disposal of scrap and e-waste, and enhancing administrative efficiency across the Oil & Gas sector.

The Ministry continues to monitor the progress of the campaign and has encouraged all its organisations to intensify their efforts towards achieving the assigned targets, ensuring responsible disposal of e-waste and maintaining cleanliness at offices and installations.

Special Campaign 6 reinforces the Ministry's commitment to Swachhata, environmental responsibility, efficient record management and improved administrative functioning across the Oil & Gas sector.
