NIFT Makes Significant Achievements under Special Campaign 6, Promoting Cleanliness, Sustainability and Green Campus Initiatives

Posted On: 30 OCT 2026 6:34PM by PIB Delhi

The **National Institute of Fashion Technology (NIFT),under the Ministry of Textiles**, Government of India, has made significant achievements under Special Campaign 6 by undertaking a comprehensive range of cleanliness, sanitation, waste management, infrastructure maintenance and environmental sustainability initiatives across its campus. The campaign was formally inaugurated at the **NIFT Delhi campus on 2 October 2026** in the august presence of **Secretary, Ministry of Textiles and other senior officers and Directors**. The participation of the senior leadership marked the commencement of the campaign and reinforced the Ministry's commitment towards promoting cleanliness, environmental protection and sustainable institutional practices.**Conducted from 2 October to 31 October 2026**, the campaign aimed to create a cleaner, greener, safer and more sustainable campus environment through active participation of students, faculty and staff.

Comprehensive Cleanliness and Improved Campus Hygiene

Extensive cleanliness activities were undertaken across academic blocks, workshops, canteens, hostels, corridors, rooftops, storage areas and other common spaces. Removal of cobwebs, accumulated dust, garbage and unwanted materials, along with cleaning of furniture, fans, computer equipment, water tanks and drainage systems, contributed to improved campus hygiene and sanitation.

Effective Waste Management and Digital Housekeeping

Special emphasis was placed on waste segregation and responsible disposal. E-waste and scrap were taken up for disposal in accordance with prescribed procedures. Disposal of e-files and weeding out of physical records were also undertaken to strengthen digital housekeeping, improve record management and optimise available storage space.

Environmental Sustainability and Green Practices

As part of its environmental initiatives, NIFT undertook plantation, horticulture, tree trimming and pruning activities to enhance campus greenery. A demonstration on preparing biodegradable compost using leaves, fruit waste and leftover food items was also organized to promote the productive utilization of organic waste and encourage environmentally responsible practices.

‘Craft from Waste’ – Promoting Creativity and Reuse

In an innovative initiative reflecting NIFT's creative and design-oriented ethos, the institute undertook the ‘Craft from Waste’ activity, demonstrating how discarded materials can be transformed into useful and decorative articles. These creatively prepared items were also used to beautify identified campus areas, promoting the principles of reuse, recycling and waste reduction.

Infrastructure Maintenance and Campus Beautification

Several maintenance activities were undertaken to improve campus infrastructure, safety and functionality. These included inspection and rectification of electrical installations, repair of defective switches, sockets and hanging wires, maintenance of lifts, hostel buildings, doors,

furniture, fixtures and perimeter fencing. Anti-termite treatment and pest control activities were also carried out across academic, administrative and residential blocks.Further, cleaning and maintenance of heaters, blowers, geysers, HVAC systems, air conditioners, Air Handling Units (AHUs) and air filtration units were undertaken to ensure a clean, hygienic and safe campus environment.

Student Participation and Awareness Activities

To encourage awareness and active participation, NIFT organised various competitions and awareness activities during the campaign. These included a slogan-making competition on the theme ‘Importance of Swachhata and E-Waste Management’, along with painting and poem competitions on Swachhata. Posters, banners, placards and standees were also displayed at prominent locations to spread awareness about cleanliness and environmental protection. Winners of the competitions were felicitated to encourage their continued participation.

Recognition of Housekeeping and Hygiene Personnel

Recognising the valuable contribution of sanitation and housekeeping personnel, NIFT felicitated its housekeeping and hygiene workers on 27 October 2026 for their dedicated efforts in maintaining cleanliness and sanitation across the campus. The initiative acknowledged their important role in maintaining a clean and healthy institutional environment and reinforced the principle of dignity of labour.

Through its dedicated efforts under Special Campaign 6, **NIFT has reaffirmed its commitment to the vision of the Ministry of Textil**es for promoting cleanliness, environmental sustainability and responsible resource management. The campaign has demonstrated that collective participation, innovative practices and sustained efforts can bring meaningful improvements in institutional cleanliness and environmental protection. These initiatives will further encourage a culture of cleanliness, creativity and sustainability, contributing towards the vision of a cleaner, greener and more sustainable India.
