3. Price Statistics & Economic Indices (Continuous Field Operations)

- **Consumer Price Index (CPI - Rural/Urban/Combined):** Measures retail price changes of consumer goods and services (Base Year: 2022–23=100). Market surveys for CPI (Urban) and CPI (Rural) are actively being conducted by the field office.
- **CPI for Agricultural and Rural Labourers (CPI-AL/RL):** Monthly price data and daily wage rates across 12 major agricultural and 13 non-agricultural occupations are collected to assist the Labour Bureau (MoLE) in compiling CPI (AL/RL).

4. Industrial & Service Sector Enterprises Surveys

- **Annual Survey of Incorporated Service Sector Enterprises (ASISSE) 2026:** Designed to establish a database on corporate service sector units (FY 2024–25 reference period), utilizing GSTN database metrics (Principal and

Additional Places of Business) to estimate Gross Value Added (GVA), capital formation, and employment. Notices under Collection of Statistics Act were issued to the enterprises under coverage of this survey.

- **Survey on Private Sector CAPEX Investment Intentions (CAPEX)-** The National Statistics Office (NSO) is conducting the second round of the Forward-Looking Survey on Private Sector CAPEX Investment Intentions during the period of November to December 2026 to collect information on the capital expenditure (CAPEX 2026) plans of enterprises in the private corporate sector. It is intended to capture the investment intentions of private sector enterprises and generate valuable insights into the emerging trends and patterns in capital expenditure. The information collected will contribute to a better understanding of investment activity across sectors and support the assessment of the evolving investment landscape.
- The above survey on CAPEX is being conducted in the selected enterprises under the Jurisdiction of Regional Office Pune which includes the entire geographical area of Pune, Ahilyanagar, Satara and Ratnagiri districts of Maharashtra. Notices are being sent to the selected enterprises, under the provisions of the Collection of Statistics Act, 2008, for submission of information in the CAPEX Portal using the credentials mentioned in the notice.
- **Annual Survey of Industries (ASI) 2025-26:** The National Statistics Office (NSO), Ministry of Statistics and Programme Implementation (MoSPI), Government of India, is conducting the Annual Survey of Industries (ASI) for the reference period 2025-26 to collect data on the registered manufacturing sector of the economy. The survey aims to assess the growth, composition and structure of industries in terms of output, Gross Value Added (GVA), employment, wages, capital formation, Inputs and other important economic indicators. The information collected through this survey serves as a vital input for the compilation of National Accounts Statistics, industrial policy formulation and economic planning. The survey covers selected factories and industrial establishments under the purview of the survey, and data are collected through the designated online portal. Notices under the Collection of Statistics Act, 2008 are being issued to the selected establishments to facilitate data collection.

- The Annual Survey of Industries (ASI) 2025-26 is being conducted by the Field Operations Division (FOD) of NSO during the survey period commencing from October 2026. The selected factories falling under the jurisdiction of Regional Office, Pune, are being approached for timely submission of the requisite information. Efforts are being made to ensure the completeness, accuracy and timely collection of data from the selected industrial establishments.

Public Cooperation Appeal

The National Statistics Office, Regional office Pune appeals to the **General public**, **Commercial establishments**, **Factory managers**, **Agricultural households**, **Cooperative societies including Housing societies** and **local institutions** to extend full cooperation to visiting field officials. Authentic data provided during these interactions forms the bedrock of national development plans and policy formulation.
