Department of Agriculture & Farmers Welfare actively undertakes various activities under special campaign 6

Campaign implemented with Nationwide Swachhata Drives, e-waste disposal, plantation and disposal of various pending matters

21st October 2026 was observed as dedicated day for DA&FW for a day-long intensive cleanliness and administrative efficiency drive across the country

Posted On: 09 NOV 2026 5:53PM by PIB Delhi

The Department of Agriculture & Farmers Welfare (DA&FW) has actively undertaken various activities under Special Campaign 6, implemented in two phases- the preparatory phase from 16th – 30th September and Implementation phase from 2nd October- 31st October, 2026, with a focus on institutionalizing *Swachhata* and reducing pendency in Government offices. The campaign covered disposal of pending references, public grievances, record management, freeing of office space, and segregation and proper disposal of e-waste and scrap etc. All Attached/Subordinate offices and field units of DA&FW have participated actively in the Special Campaign. **21st October 2026 was observed as a dedicated day for DA&FW** for a day-long intensive cleanliness and administrative efficiency drive across the country.

Various Activities undertaken during Special Campaign 6

1. Nationwide Plantation Drive: - Demonstrating a strong commitment to a greener environment, various attached/subordinate/field offices of DA&FW have planted more than 2,000 plants across the country.

2. Secretary (DA&FW) Visits National Seeds Corporation (NSC):- Secretary (DA&FW) visited the National Seeds Corporation in New Delhi to review ongoing campaign activities under Special Campaign 6. The visit included a plantation drive, flagging off of trucks for

scrap and e-waste disposal through authorized recyclers, and felicitation of sanitation staff. The Secretary also inspected the rooftop solar power facility (84 kW capacity) and the seed processing and packing unit. Innovative initiatives such as bird feed preparation using non-seed materials, micro greens from unsold seeds, and display of value-added products were also showcased, highlighting sustainability, efficient resource utilization and the Waste to Wealth approach.

3. Cleanliness campaigns: The field offices of DA&FW conducted cleanliness campaigns to promote a clean and hygienic workplace. Under the Campaign, out of a target of 999 sites identified for cleanliness activities, 1179 sites have been covered.

4. Waste to wealth models:-Various Field offices of DA&FW including CFMTTI (Budni), MANAGE (Hyderabad), NRFMTTI (Hisar), and NERFMTTI (Biswanath Chariali)—showcased innovative models built entirely from electronic waste and discarded parts. Notable exhibits included a life-sized Rhinoceros model made from circuit boards at NERFMTTI Assam, alongside working models of sea boats and tractors crafted from scrap machinery.

5. Review meetings:- A number of review meetings were held during the Special Campaign 6 with the Nodal Officers of DA&FW and its attached, subordinate and field offices for smooth and effective conduct of the activities identified.

Overall Targets and Achievements made under Special Campaign 6

Driven by active field participation, the Department of Agriculture & Farmers Welfare has achieved significant milestones, in certain respects it has acceded the targets fixed. In Public Grievances, the targets of pending grievances were taken as received up to 30th September, 2026 as stipulated. However, the PG received during the period 31st October, 2026 have also been disposed off.
