Cabinet Approves extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 of route length of 8.449 Km with 5 stations

Posted On: 11 NOV 2026 3:08PM by PIB Delhi

The Union Cabinet, chaired by the Prime Minister Shri Narendra Modi, has approved the extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 of Noida Metro Rail Project with corridor for a length of 8.449 Km with 5 elevated stations. On operationalization of this corridor, Noida and Greater Noida city will have 71.878 Km of active Metro Rail Network.

Benefits and Bolstering Growth:

Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 of Noida Metro Rail Project represents a significant advancement in the city's infrastructure development. This project acts as a major expansion of the Metro Rail Network in the city.

Enhanced Connectivity:

Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 of the Noida Metro project will introduce approximately 8.449 Km of new metro lines, significantly improving public transportation in the Noida and Greater Noida city, which currently lack efficient connectivity and also it will also provide direct connectivity with high demand corridors, including interchange at Noida Sector-61 Blue Line.

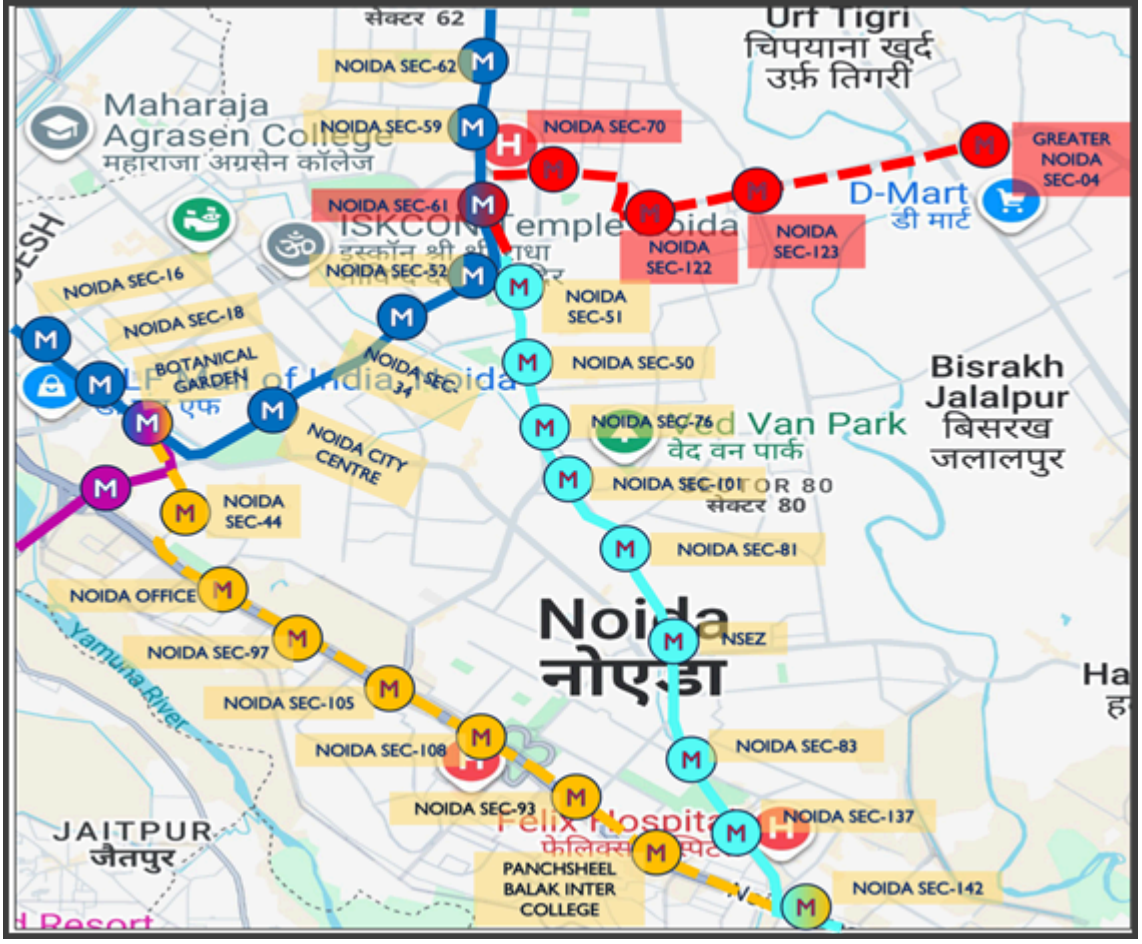

This phase aims to seamlessly integrate key zones of Noida, including:

- **Commercial hubs** such as Gaur City Mall, H&S mall & office space, Blue Sapphire Mall & Commercial space at Greater Noida Sector-04, IKEA at Noida Sector-51 and Anthurium mall at Noida Sector-73.
- **Major MNCs and IT Hubs** such as Tech Mahindra office, TCL Tech office at Noida Sector-60, Oil Industry Development Board at Noida Sector-73 and Golden I office & commercial space at Greater Noida Sector-04.
- **Educational Institutes** such as Delhi Public School at Noida Sector-122, etc.
- **Critical healthcare facilities**, most notably the Kailash Hospital, Rama Hospital at Noida Sector-70, Cloud9 Hospital at Noida Sector-51 and Rama Hospital at Noida

Sector-62.
- **Major residential societies** such asCleo County Residenciesat Noida Sector-122 and gaur City 1 & 2 at Greater Noida Sector-04.

By bridging these vital areas with the metro network, Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 will not only enhance connectivity but also stimulate economic activity and ease urban mobility for both residents and commuters related to Employment, Business, Education & General Transit.

- **Reduction in Traffic Congestion**: Metro Rail as an efficient alternate road transport and with Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 as an extension to the Metro Rail network in the Noida and Greater Noida city is expected to alleviate traffic congestion. Reduction in road traffic can lead to smoother movement of vehicles, reduction in travel time, increasing overall road safety etc.
- **Environmental Benefits**: The addition of Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 and increase in overall Metro Rail Network in Noida and Greater Noida city can significantly reduce carbon emissions compared to traditional fossil fuel-based transport.
- **Economic Growth**: Reduced travel times and improved access to different parts of the city and Transportation Hubs such as Delhi’s Airport, Delhi’s Railway Stations and various Bus Depots can enhance productivity by allowing individuals to reach their workplaces and destinations more efficiently. Also, the enhanced connectivity can stimulate local businesses, especially in areas near new metro stations which can also attract investment and development in previously less accessible regions.
- **Social Impact**: The expansion of Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 in Noida will provide more equitable access to public transport, benefiting diverse socio-economic groups and reducing transport disparities which will contribute to a higher quality of life by reducing commute times and improving access to essential services.
- Extension of Aqua Line Metro Rail Corridor from Noida Sector-51 to Greater Noida Sector-04 of Noida Metro Rail Project is set to be a transformative development for the city. It promises to deliver enhanced connectivity, reduced traffic congestion, environmental benefits, economic growth, and improved quality of life. By addressing key urban challenges and providing a foundation for future expansion, it will play a crucial role in shaping the city's development trajectory and sustainability.
