# Prime Minister shares an article highlighting India’s growing focus on skill development and making skilling a preferred career pathway

Posted On: 24 NOV 2026 2:42PM by PIB Delhi

The Prime Minister, Shri Narendra Modi, today shared an article by Union Minister of State Shri Jayant Chaudhary, highlighting the country's growing focus on skill development and the importance of making skilling a preferred career pathway.

Shri Chaudhary highlighted the upcoming WorldSkills Asia 2027, the PM-SETU initiative to upgrade ITIs, and efforts to strengthen industry-linked training, reflecting on how these initiatives are preparing youth for emerging opportunities in the age of AI.

The Prime Minister's Office posted on X:

“India is taking its skilling journey to the world stage!

Union MoS Shri @jayantrld writes about the country's growing focus on skill development and the importance of making skilling a preferred career pathway.
He highlights the upcoming WorldSkills Asia 2027, the PM-SETU initiative to upgrade ITIs and efforts to strengthen industry-linked training. He also reflects on how these initiatives are preparing youth for emerging opportunities in the age of AI.”
