Union Minister for Agriculture & Farmers' Welfare and Rural Development, Shri Shivraj Singh Chouhan, held a comprehensive and productive meeting today with the Chief Minister of Madhya Pradesh, Dr. Mohan Yadav, along with State Ministers Shri Prahlad Singh Patel and Shri Aidal Singh Kansana, and senior officials, to review key proposals aimed at accelerating agricultural growth and rural infrastructure development in Madhya Pradesh.

Congratulating Chief Minister Dr. Mohan Yadav and his entire team for their proactive approach toward the state's development, Shri Shivraj Singh Chouhan stated that the delegation presented several vital proposals pertaining to roads, bridges, housing, irrigation, and various central missions.

Key Decisions and Highlights of the Meeting:

Approval of Bridges and Road Infrastructure: In a major boost to rural connectivity, the Centre has approved ₹643.14 crore for the construction of 223 bridges in Madhya Pradesh. Additionally, road construction proposals worth approximately ₹600 crore were also presented and discussed during the meeting.

Scientific Agricultural Roadmap: Shri Chouhan announced that a dedicated Scientific Agricultural Roadmap will be formulated for Madhya Pradesh in collaboration with agricultural scientists to enhance productivity and sustainability.

Agriculture Clusters and Centres of Excellence: Madhya Pradesh will be allotted two Agriculture Clusters and two Centres of Excellence to promote modern farming practices and value addition.

Clean Plant Programme: Work will be undertaken to develop specialized nurseries in Madhya Pradesh under the Clean Plant Programme to ensure the availability of disease-free, high-quality planting material for farmers.

Micro-Irrigation and Irrigation Support: Lauding Madhya Pradesh for its remarkable and unprecedented work in the irrigation sector, the Union Minister noted that detailed discussions were held to provide extensive assistance under the Per Drop More Crop (PDMC) scheme, alongside finding effective solutions for other irrigation-related proposals from the state.
