

PR No.47/2026**SEBI releases Handbook of Statistics 2025-26**

The Securities and Exchange Board of India has released today the 21st edition of the [Handbook of Statistics \(HBS\)](#) for the year 2025-26.

HBS is a single stop access to the historical time-series data of Indian securities market, in an easily downloadable format. The HBS is prepared and published every year by the Department of Economic and Policy Analysis (DEPA) of SEBI, using data sourced from various stakeholders. The Handbook and several other publications are available on the official website of SEBI, under [Report and Statistics](#).

The HBS 2025-26, consists of 85 annual series tables and 68 quarterly/monthly series tables, totalling to 153 tables. It offers a compilation of time-series data on the growth of Indian securities market, encompassing primary market, secondary market, derivative segments in various instruments and the investments by various investment vehicles in Indian securities market. It also includes data on some of the regulatory activities by SEBI/ MIIs and few reference indicators on global stock markets.

Feedbacks/Comments on the HBS may please be sent to hbs@sebi.gov.in.
