EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations amend the Motor Vehicles (Type Approval) Regulations 1980 by substituting a consolidated Schedule 2 for the existing Schedule 2, which has been four times amended since 1980. That Schedule is further amended by including in item 9 of Part I, alternatively to the existing requirements relating to the braking devices of certain categories of motor vehicles and their trailers, the requirements of Council Directive [71/320/EEC](#) as amended by Commission Directives [74/132/EEC](#), [75/524/EEC](#), [79/489/EEC](#) and [85/647/EEC](#). Part II of Schedule 2, which relates to the approval of recording equipment in road transport, is amended to refer to the requirements of [Council Regulation 3821/85](#). References to spent directives and regulations have been deleted. Three of the amending instruments ([S.I. 1982/1623](#), [1984/1927](#) and [1985/1072](#)) are now spent, and are revoked entirely: in the fourth amending instrument ([S.I. 1982/7](#)), the regulation which amended Schedule 2 is revoked.

Copies of the Directives and Regulations referred to in these Regulations may be obtained from Her Majesty's Stationery Office.
