EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make amendments to a number of instruments that are consequential on sections 15, 16 and 17 of the Employment Rights Act 2025 (c. 36) (“the 2025 Act”). They also make transitional provision for the giving of notices for paternity leave related to the changes made by section 16 of the 2025 Act.

Section 15 of the 2025 Act amends section 76 of the Employment Rights Act 1996 (c. 18) (“the 1996 Act”). It removes provision for regulations to require an employee to be continuously employed for a specified period of time before they are entitled to be absent from work on parental leave.

Similarly, section 16 of the 2025 Act amends sections 80A and 80B of the 1996 Act, to remove provision for regulations to require an employee to be continuously employed for a specified period of time before they are entitled to be absent from work on paternity leave following the birth or adoption of a child.

Section 17 of the 2025 Act makes amendments to sections 80A and 80B of the 1996 Act and section 171ZE of the Social Security Contributions and Benefits Act 1992 (c. 4), to remove restrictions on taking paternity leave after having taken shared parental leave and on receiving statutory paternity pay after having received statutory shared parental pay or taken shared parental leave.

Regulations 4 to 8 and 10 to 14 make consequential amendments to a number of instruments relating to parental leave and paternity leave which gave effect to sections 76, 80A and 80B of the 1996 Act. Regulation 9 makes transitional provision for the giving of notices in cases where an employee becomes entitled to be absent from work on paternity leave as a result of section 16 of the 2025 Act coming fully into force.

An impact assessment has not been produced for these Regulations as no, or no significant, impact on the private, voluntary or public sectors is foreseen. The impact assessments for the Employment Rights Bill, introduced to Parliament on 10th October 2024, contain an assessment of the effect that the reforms to employment law and industrial relations law will have on the costs of business, the voluntary sector and the public sector.
