Part 2

Form 2: Form of notice specifying land and stating effect of general vesting declaration

FORM 2 FORM OF NOTICE SPECIFYING LAND AND STATING EFFECT OF GENERAL VESTING DECLARATION

Regulation 3(2)(b)

The Order 20 (a)

To:

of:

NOTICE IS HEREBY GIVEN that (‘the ’)
(b) on 20 executed a general vesting declaration under section 4 of the
Compulsory Purchase (Vesting Declarations) Act 1981 (‘the Act’) vesting the land described in
the Schedule to this notice (‘the land’) in themselves as from the end of the period of [insert pe-
riod of 3 months or longer] [insert period of 6 weeks or longer](c) from the date on which the ser-
vice of the notices required by section 6 of the Act is completed.

The (b) will in due course tell you the date on which the service of the notices was com-
pleted.

The effect of the general vesting declaration is as follows:—

On the first day after the end of the period referred to in the first paragraph of this notice (namely,
20) (‘the vesting date’) the land, together with the right to enter upon and take possession of it,
will vest in the (b).

Also, on the vesting date the Acts providing for compensation will apply as if, on the date on
which the general vesting declaration was executed (namely, 20), a notice
to treat had been served on every person on whom, under section 5 of the Compulsory Purchase
Act 1965, the (b) could have served such a notice (other than any person entitled to a ‘minor
tenancy’ or a ‘long tenancy which is about to expire’. These expressions are defined in the Ap-
pendix to this notice).

If the land includes any land in which there is a minor tenancy or a long tenancy which is about to
expire, the right of entry will not be exercisable in respect of that land unless, after serving a
notice to treat in respect of that tenancy, the (b) having served on every occupier of any of
the land in which the tenancy subsists a notice stating that, at the end of a specified period (at
least 3 months from the date of the service of the notice) they intend to enter upon and take pos-
session of the land specified in the notice, and that period has expired: the vesting of the land will
then be subject to the tenancy until that period expires, or the tenancy comes to an end, whichever
happens first.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Schedules A1 and 1 to the Act contain supplementary provisions as to general vesting declarations in relation to the acquisition of parts of interests in land. [If a counter-notice is served under paragraph 2 of Schedule A1 within the period referred to in the first paragraph of this notice, the vesting date for the land which is the subject of the counter-notice will be determined in accordance with that Schedule.] (d).

A copy of the general vesting declaration to which this notice refers and of the plan annexed to the declaration can be inspected at (e) and may be seen at all reasonable hours. [Copies of these documents can also be found online at: (f)].(g)

[The (b) considers the expedited procedure for the vesting of the land is available under section 4A(1) or (2) of the Act (as the case may be). Any person who disagrees that the expedited procedure is available may make representations to the acquiring authority under section 4B(2) of the Act. If, before the vesting date, the acquiring authority no longer considers that the expedited procedure is available, the authority will amend the general vesting declaration so that the period specified in it complies with section 4(1ZA)(b) of the Act (period of at least three months from service of notices). (h)]
