EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in the vicinity of the North Sea adjacent to East Anglia, then a corridor via Royal Air Force Marham Norfolk, to Royal Air Force Cranwell and Royal Air Force Waddington Lincolnshire, where dispersal will occur, for rehearsals for the King's Birthday Flypast that are scheduled to take place there on the two days of 2nd and 3rd June 2026.

As timings for the rehearsals are critical and the formation may not be able to take effective avoiding action, the Civil Aviation Authority and the Department for Transport agree that it is in the public interest that flying should be restricted in the relevant areas to avoid the risk that transient aircraft may disrupt the formation.

These Regulations apply except insofar as flying is already prohibited by the Air Navigation (Restriction of Flying) (Nuclear Installations) Regulations 2016 (S.I. 2016/1003), the Air Navigation (Restriction of Flying) (Prisons and Young Offender Institutions) (England and Wales) Regulations 2023 (S.I. 2023/1101), and the Air Navigation (Restriction of Flying) (Ministry of Defence Prohibited Places) Regulations 2026 (S.I. 2026/64).

The times mentioned in regulation 3(1) to (3) are Co-ordinated Universal Time (UTC) which is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(4)(b) and (d), 78 Squadron Royal Air Force Swanwick and the Royal Air Force King's Birthday Flypast Project Officer may be contacted as notified.

Full details of this Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Aviation (NOTAM).

The point of contact in the Civil Aviation Authority is Mr David Ridley, Airspace Regulator, Safety and Airspace Regulation Group, on telephone number 03301 382471.
